

The Daikin *One* lite connected thermostat is a perfect solution for Daikin single and multi-zone products when a wall-mounted connected thermostat is needed.

The Daikin *One* lite connected thermostat is compatible with most Daikin single and multi-zone systems* and can be linked via Wi-Fi to the Daikin *One* home app for control from an iOS or Android phone or tablet. In addition, the Daikin *One* lite connected thermostat can be voice controlled with *Amazon Alexa* or *Google Assistant*, plus homeowners can program up to four scheduled events for efficiency and comfort.

Contractors will appreciate the aux heat output, which can be configured as the primary or secondary heat source, and compatibility with Daikin *One* cloud services for remote system performance monitoring when the homeowner grants system access. Additionally, commissioning and setup are simplified with an installation tool on a phone or tablet.

Features:

- » Compact, non-intrusive design suitable for most interior environments.
- » Multifunction push buttons labeled for mode, fan, set-point up, set-point down.
- » Wi-Fi-enabled connected thermostat with iOS and Android app control.
- » Voice control by *Amazon Alexa* and *Google Assistant*.
- » Programmable schedule.
- » Built-in temperature and humidity sensors.
- » Indoor unit Control: Mode (Auto/Heat/Cool/Aux Heat/Emergency Heat), Setpoint (Dual/Single), Fan Speed, Louver, Fan On/Auto (with minimum run time).
- » Outdoor environment monitoring: outdoor temperature, outdoor humidity, and weather forecast in the Daikin *One* home app.
- » LED Mode indicator for heating and cooling.
- » Dehumidification function.
- » Error and maintenance notifications.
- » Energy and comfort functions: Away mode and geo-fencing.
- » Over-the-air software update capable (requires Wi-Fi connection).
- » Setup is possible within the Daikin *One* cloud services app, via the commissioning tool. Setup using buttons is possible, but not recommended.

First year of Daikin *One* cloud services included with purchase. Ask your Daikin contractor for more information!

Technical Specifications:

- » Multi-language support: English, Spanish, French (Daikin *One* home app only)
- » 1 Auxiliary Heat output (dry contact), configurable as a primary or secondary heat source
- » Includes Translation adaptor for S21 systems. (Note this control is not for use with P1P2 systems)
